First Destination Survey – 2017

SECTION - 1

Dear Seniors and Recent Graduates,

You can have a positive impact on fellow Bruins by sharing your post-college plans through a brief survey. Whether you're attending graduate school, seeking employment, pursuing something completely different, or you're just not sure yet - we want to know! The university is required to collect this data and uses survey results to educate students and the broader UCLA community about the careers and graduate school plans of our graduates. The data recent graduates like you provide helps current students understand what their future career paths could look like once they graduate.

Please take 5 minutes to complete this survey, and enter to win one of 30 Amazon gift cards. ($25 each)

Your answers are completely confidential. Thank you for your participation.
