

The following presentation was delivered to the Students with Dependents Taskforce in May 2018. Please note that the slides may not provide the full context of the content presented. More information can be provided upon request.

These materials may not be reproduced or distributed, in whole or in part, without prior written permission from SAIRO. For additional information, please contact SAIRO at sairo@saonet.ucla.edu

Profile of Students with Dependents

Kristen McKinney, Ph.D.
**Student Affairs Information
and Research Office**

May 4, 2018

How do we identify this group?

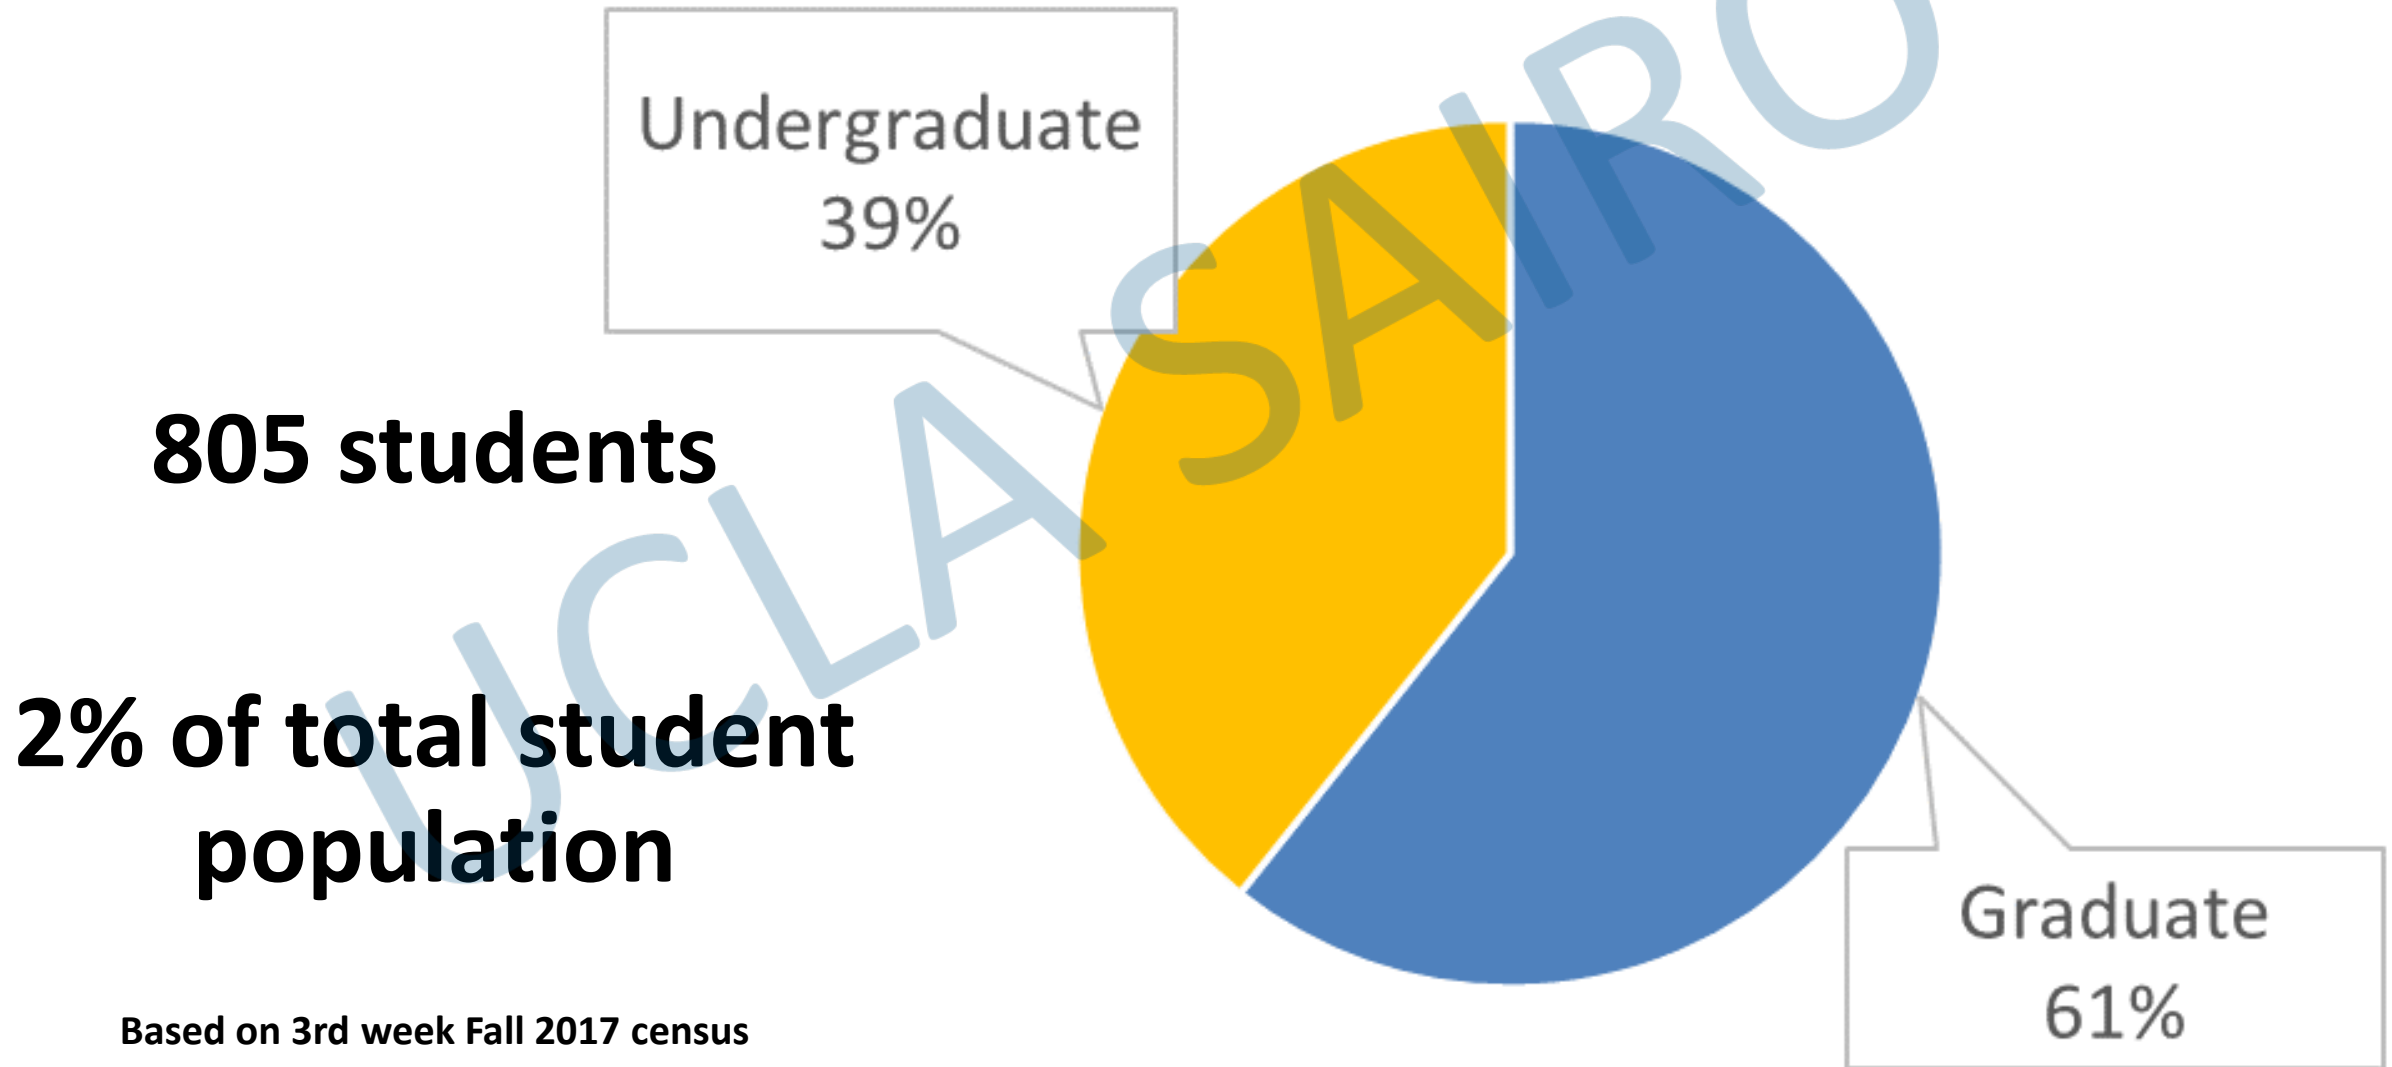

Students with Dependents (SWD) defined by 2 Questions on FAFSA:

Do you now have or will you have children who will receive more than half of their support from you (in the year of the FAFSA)?

Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you (in the year of the FAFSA)?

How many SWD?

SWD are on average older than their peers

Undergraduate

Average Age

Students with Dependents

31

Not SWD

20

Graduate/ Professional

Average Age

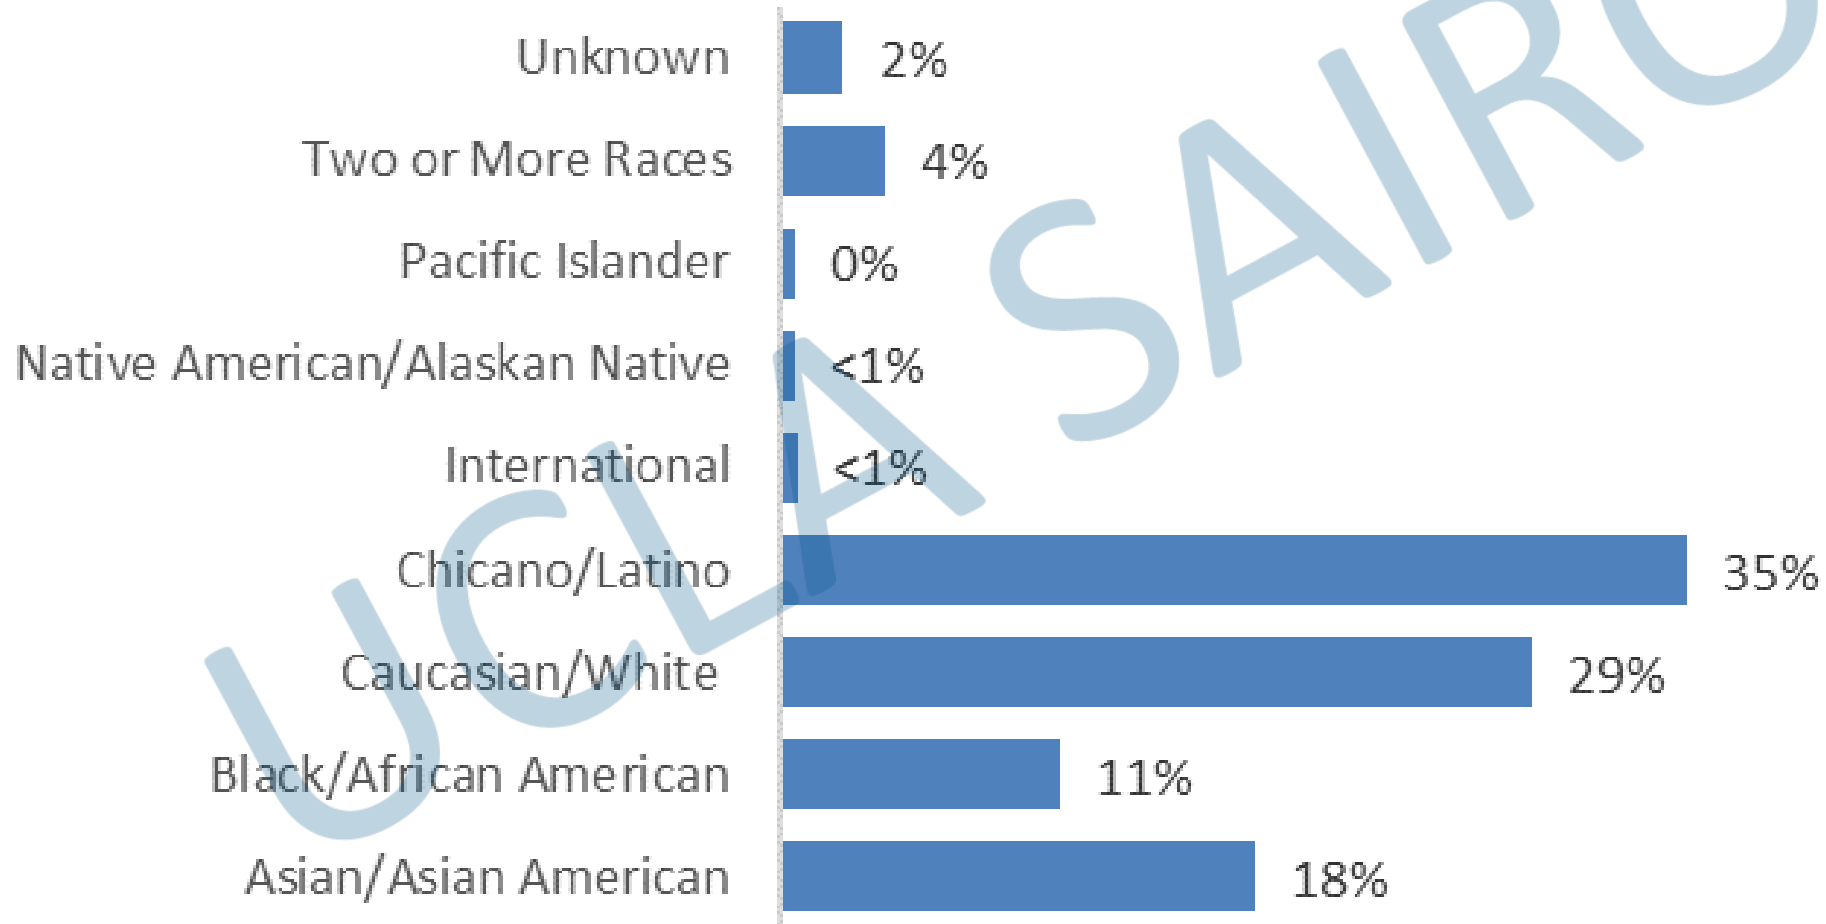

Students with Dependents

35

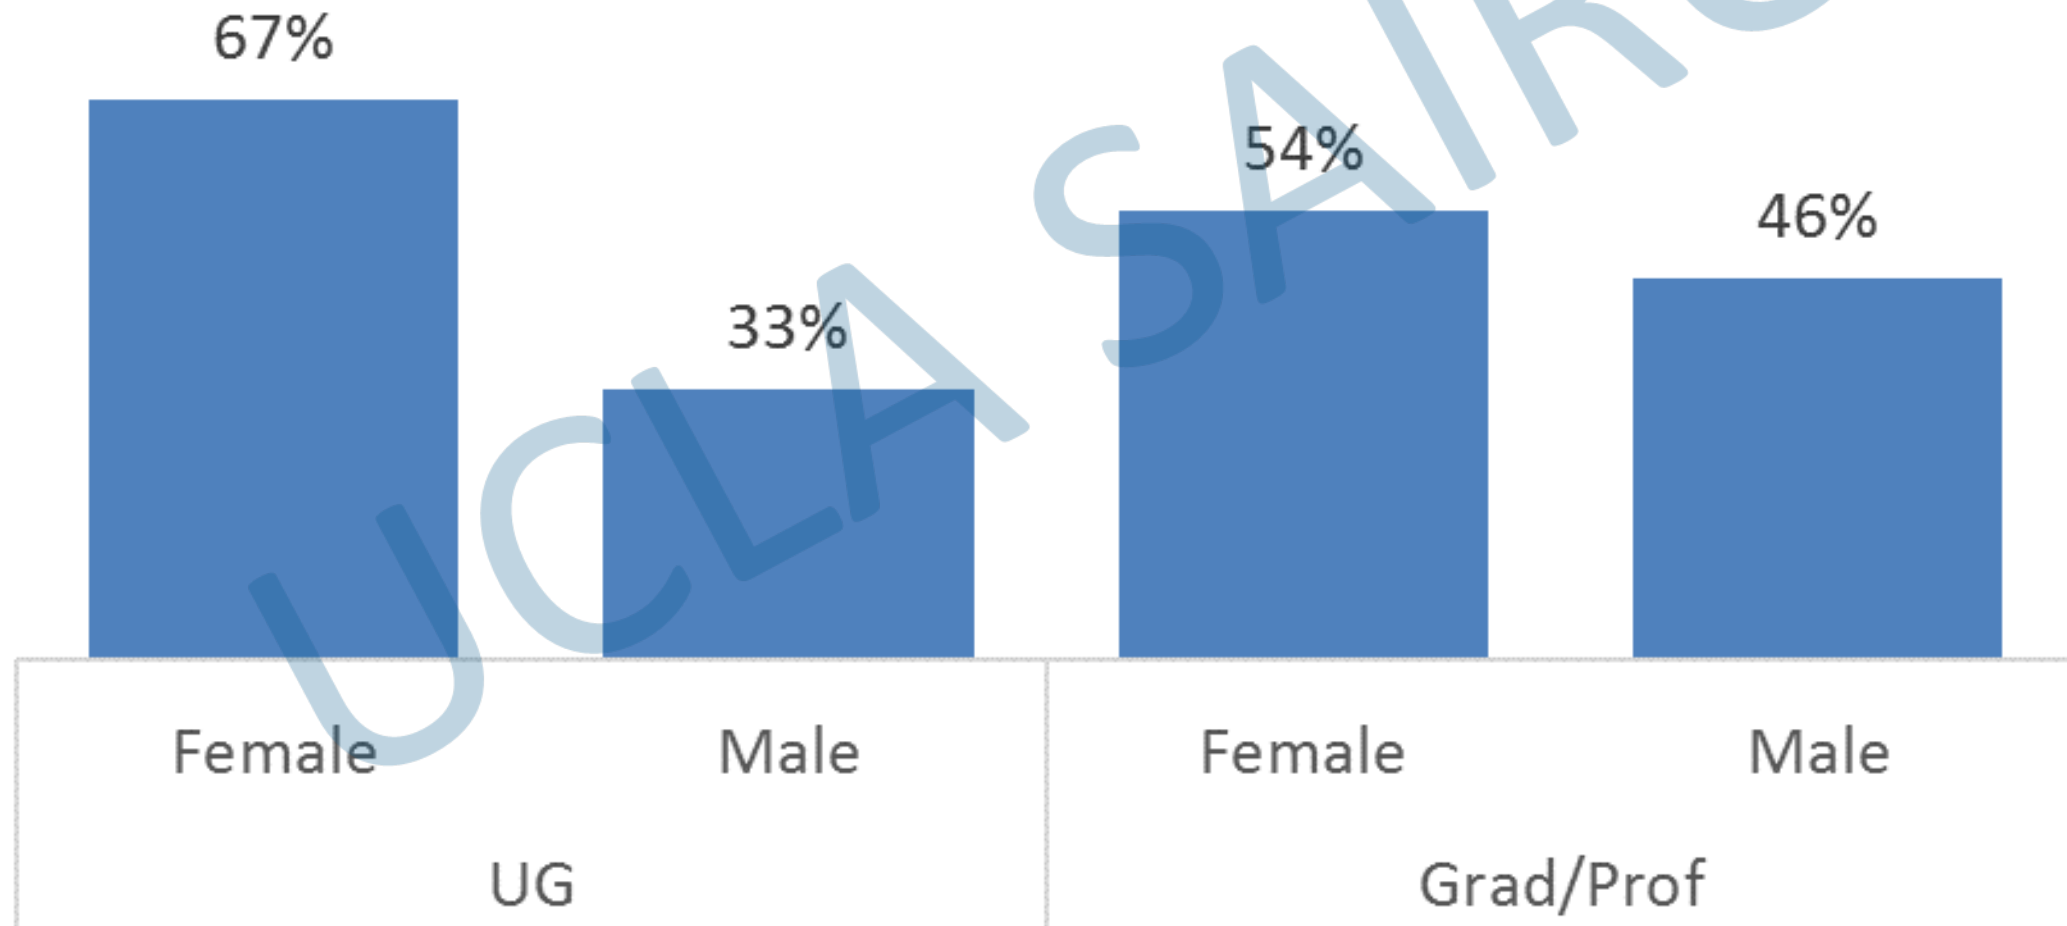

Not SWD

28

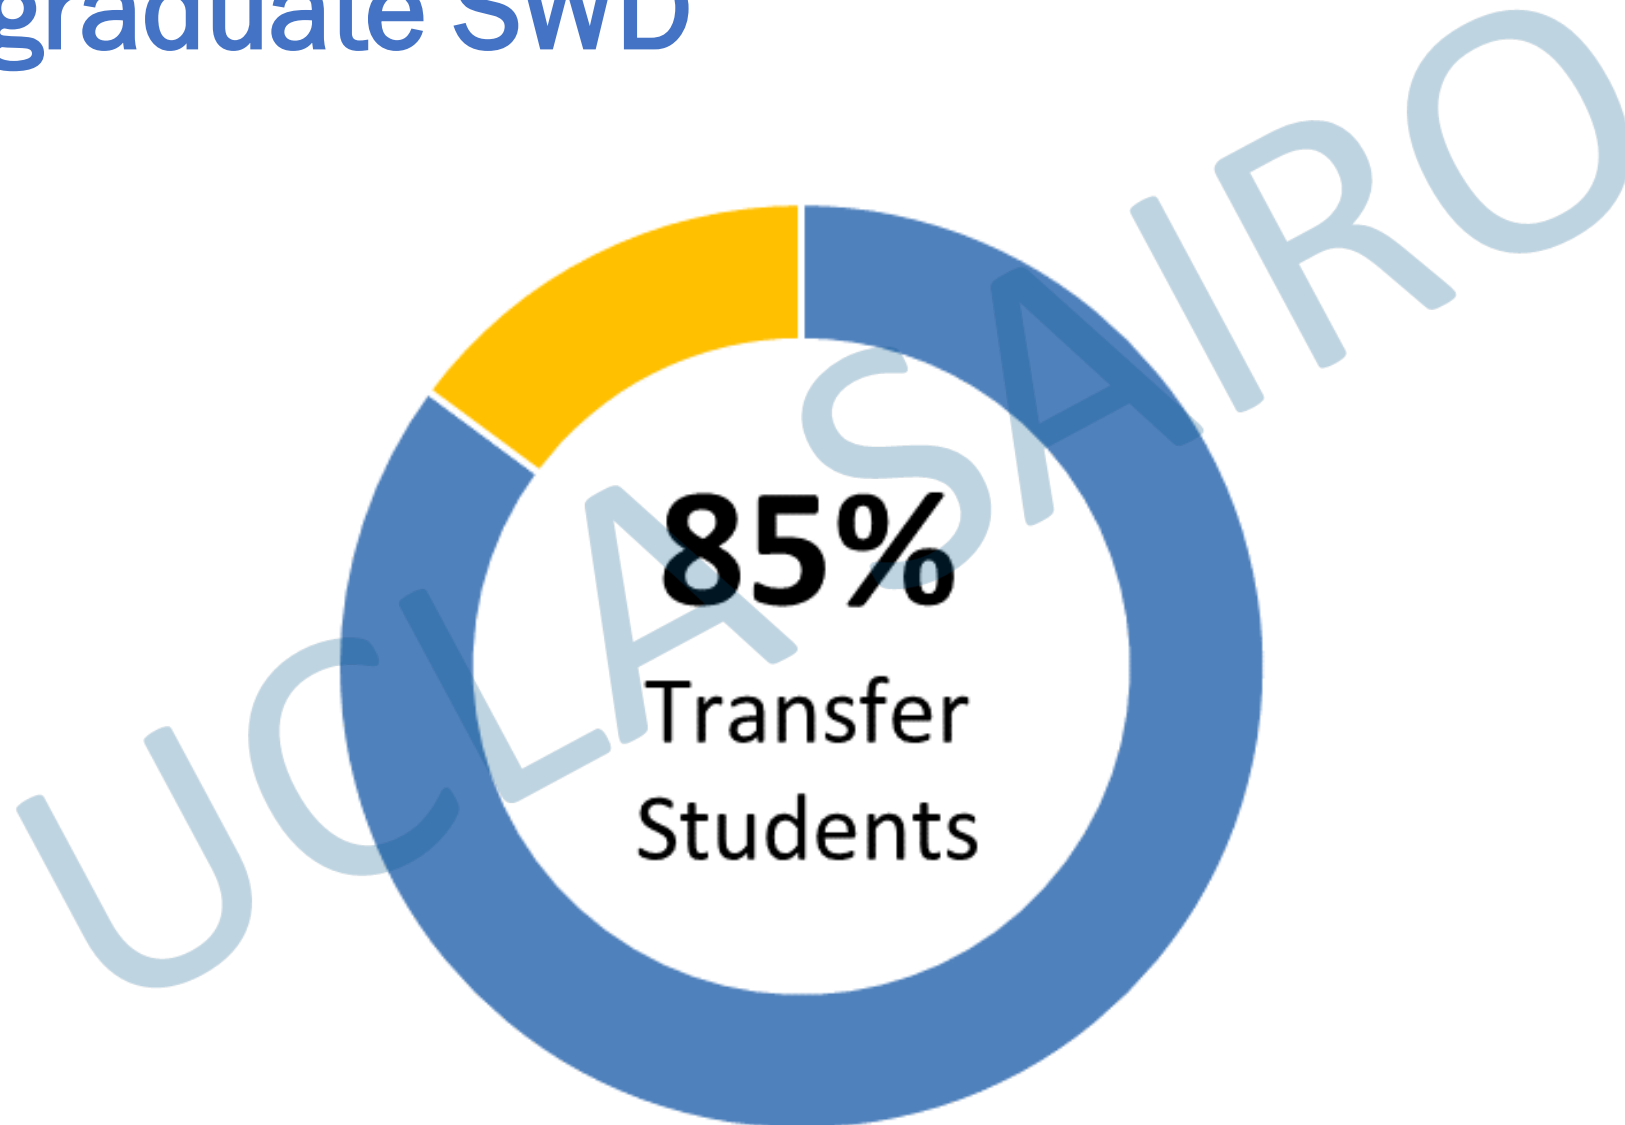

Racial/Ethnic Profile of Students with Dependents

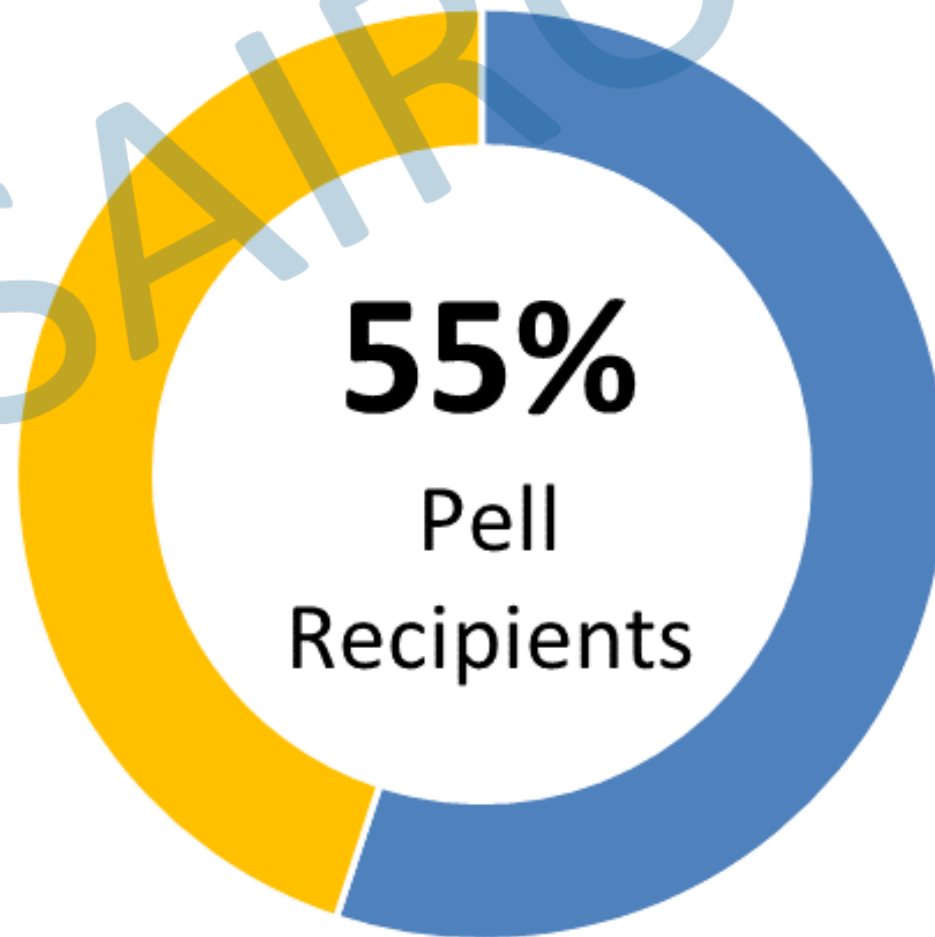

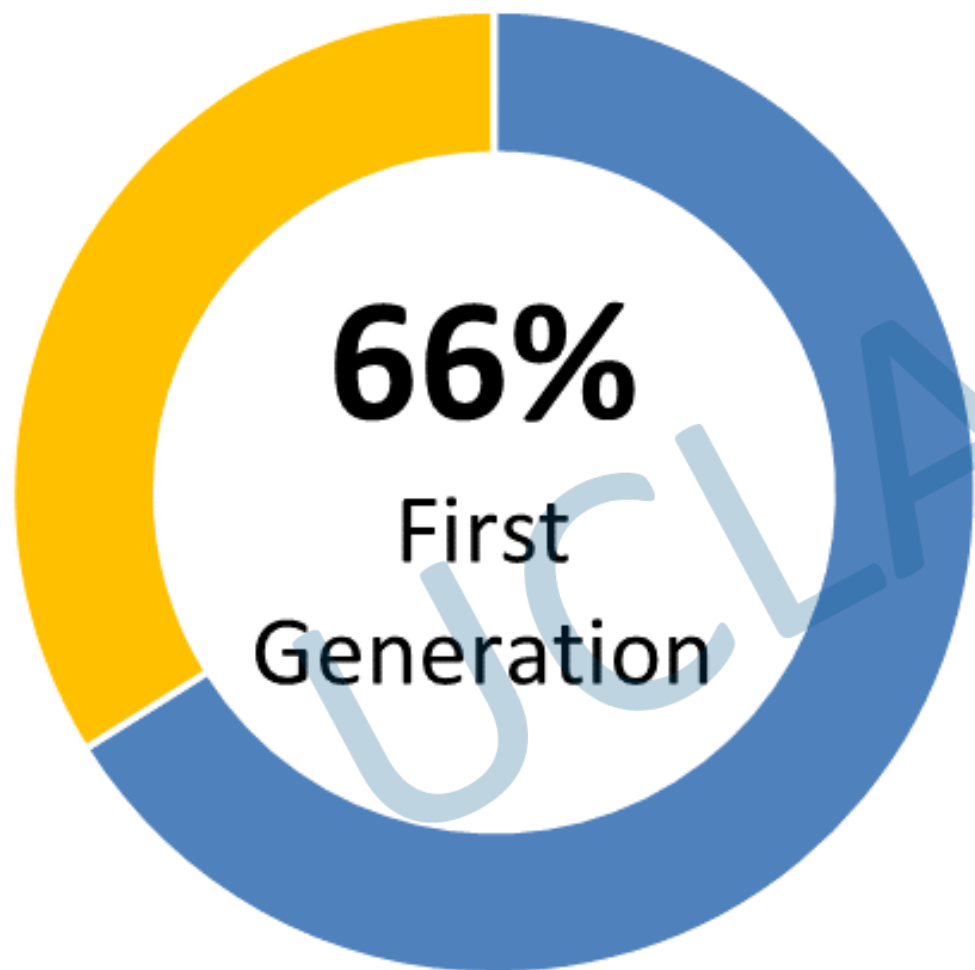

Students with dependents are more likely to be female, especially at the undergraduate level.

Undergraduate SWD

Undergraduate SWD

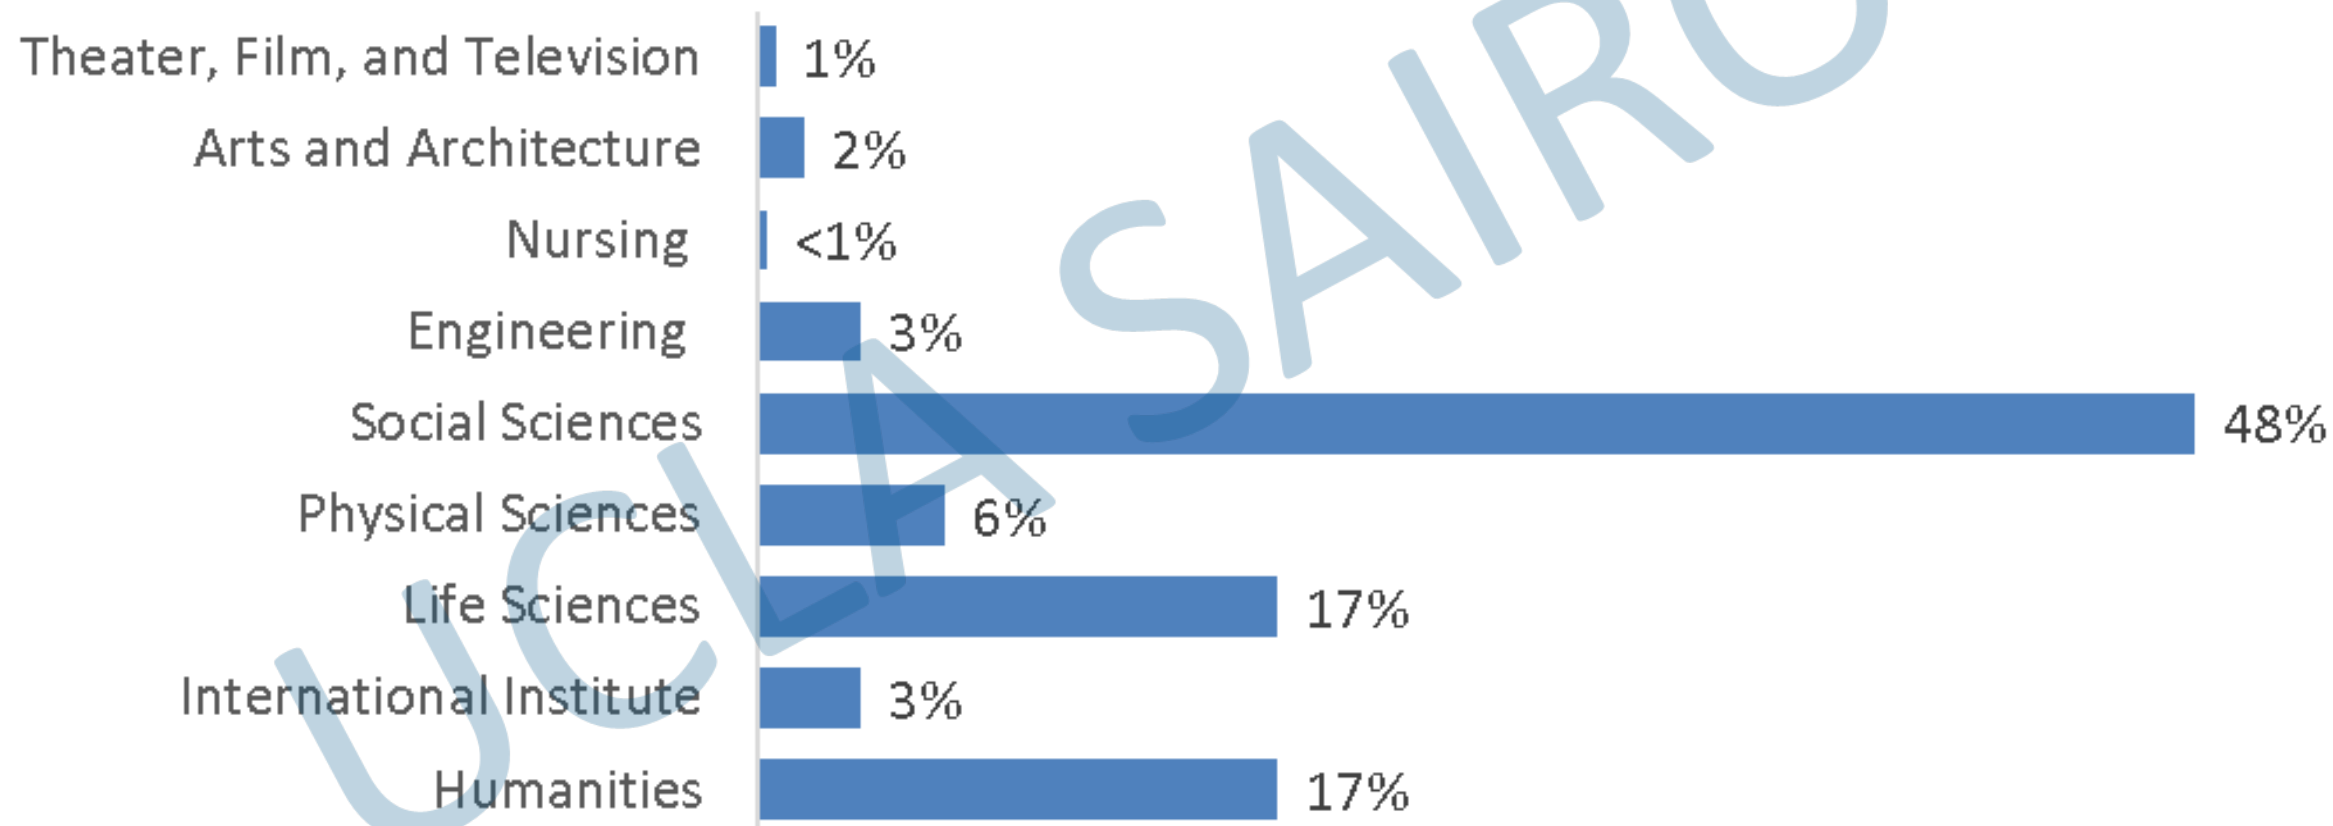

More than 50% of Undergraduate SWD are single

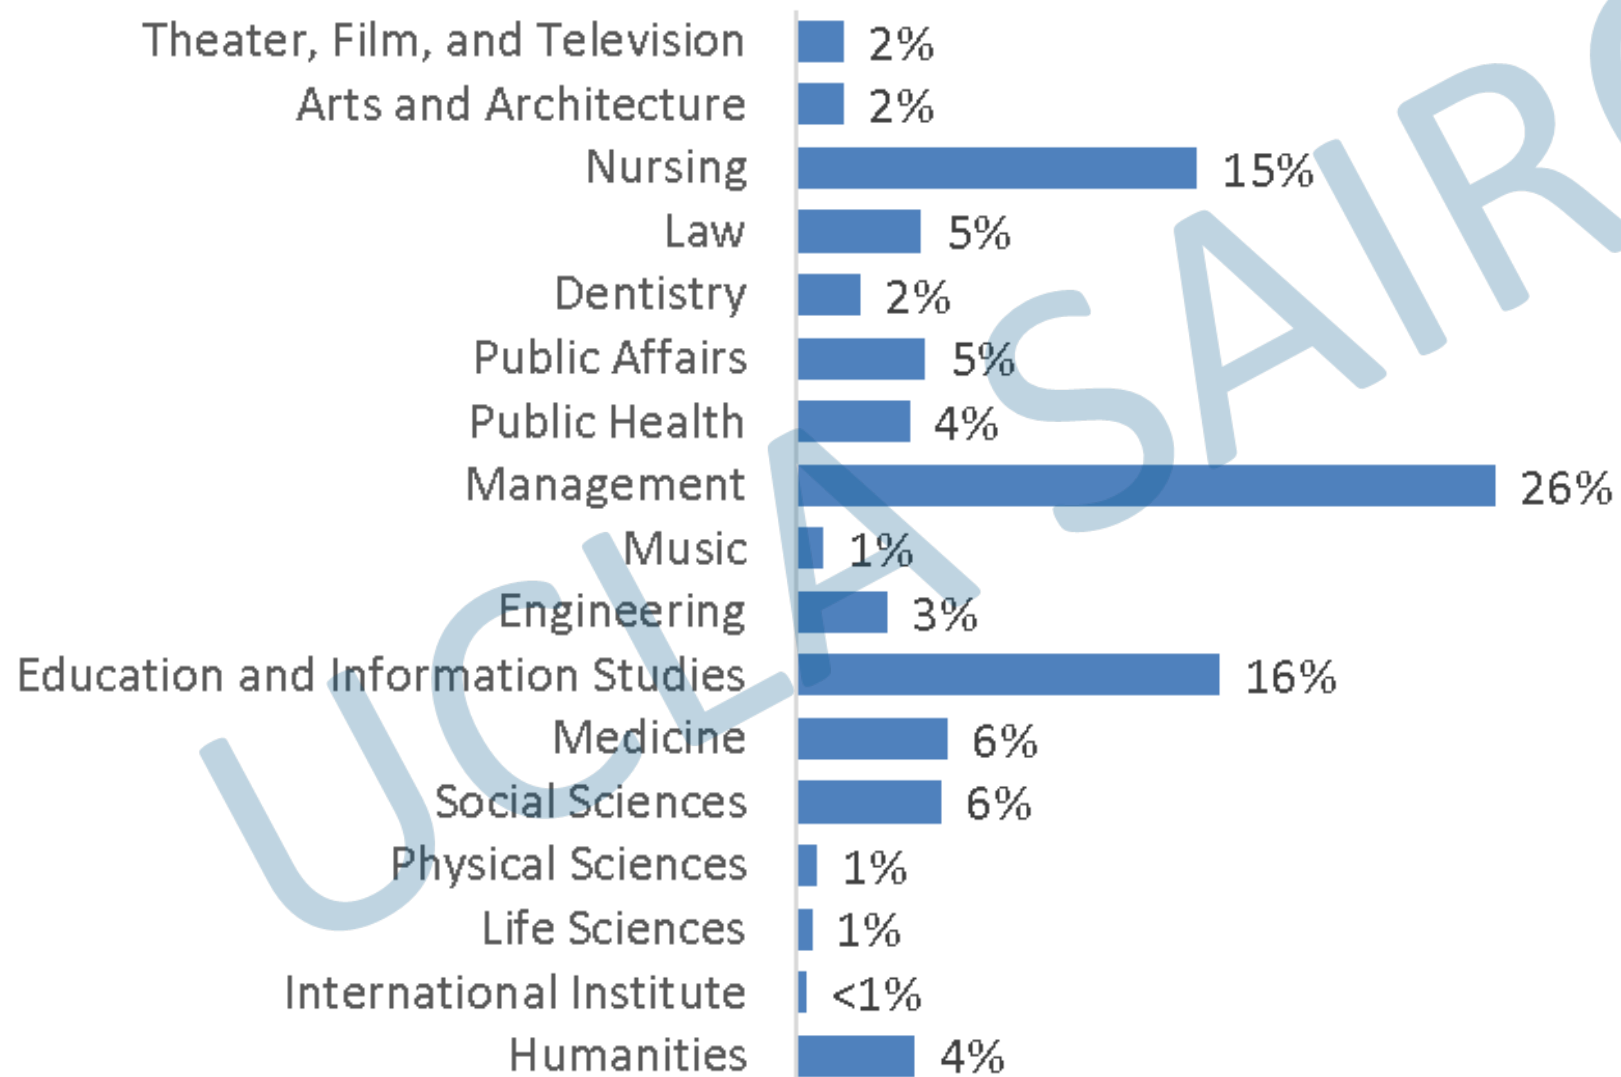

Graduate/Professional SWD are more likely to be married

Undergraduate SWD are present in most schools and divisions.

Similarly, Graduate/Professional SWD are found across schools and divisions.
